

1. Number of current Nova Roman citizens in your provinces

There are an estimated 87 Nova Roman citizens within Provincia Mediatlantica, a relic of earlier times when we were the most populated and active province of the republic. I am uncertain how many are active taxpayers or are even active.

I say estimated as I cannot be certain the roster I have access to is accurate as new citizens are not always added properly nor am I informed about new members.

2. Web addresses of the main internet forum of the province, and all additional provincial forums that are public

Primary mailing list: <https://groups.io/g/mediatlantica>

Nova Roma Discord provincial channel:

Its Group: <https://www.facebook.com/groups/mediatlantica/>

2.1. Monthly average number of messages in the main provincial forum.

From April 2021 (MMDCCCLXXIV) – March 31st, 2022 (MMDCCCLXXV):

Groups.io: 2 (in reality, most have been from the past month, but usage is picking up)

Discord: This is harder to determine, so I'll leave it N/A currently.

Facebook: .83 (group), again, numbers are on an uptick.

2. 2. Average number of Nova Roman citizens posting per month

From April 2021 (MMDCCCLXXIV) – March 31st, 2022 (MMDCCCLXXV):

Approx. 2.5

2.3. Total number of members in the provincial forum

As of March 31st, 2022 (MMDCCCLXXV):

Groups.IO - 8 members

Discord – 12 persons have obtained the provincial role for Mediatlantica.

Facebook Page: 39 people like the page, 41 people follow the page

Facebook Group: 12 members

TOTAL – 68 - 73 (Overlap percentage is unknown)

3. Number of those real life gatherings in the reported period in which at least 5 citizens of the province participated

One, in New Jersey. We are still coming out of covid and many people are still on the more cautious side when it comes to gatherings. More are planned both for New Jersey and other areas of the Province for the coming months. Any other gatherings were of smaller numbers (excluding the children of citizens).

4. Reenactment groups that officially cooperate with the province (friend, allied, or fully Nova Roman legions; allied or fully Nova Roman gladiatorial groups)

Legio XXIV Medi Atlantia (<http://www.legionxxiv.org/>) is an allied legion of Nova Roma. Their commander is a citizen of Nova Roma and a sitting Senator.

There are, or were, several other legions scattered across the province. Like many things, since the pandemic, many have gone silent. Others have been quiet for longer than that. The provincial council has discussed reaching out and working on bringing them to Nova Roma if they still exist.

5. Names of all candidates for the governorship

While there are some I am observing, especially should the merger of RR.org into Nova Roma come to pass, the one that stands out the most at present is of course Flavius Veditus Germanicus. I'm not sure if he would desire the position, however.

6. Request for Waiver

Like my fellow governors, Mediatlantica requests a waiver due to the coronavirus pandemic that, while the crisis is on the downtrend, it still exists. In the last 12 months, I've had friends lose parents, I've lost co-workers, every other week there is a wave of people out from work due to the virus. People are understandably cautious.

Regardless, we are rebuilding. We are contacting people, catching them up on current events, and trying to allay their concerns from the past.
