Now we are starting preparations for conducting of new Roman festival in Bononia /Modern Vidin/ within this project.

Currently we are submitting an application for Erasmus + program for creation of educational interactive materials for students, to promote Roman culture and history through reenactment activities and virtual reality. The project will rewind the historical events leading to the contemporary European civilization values and the role of the heritage of the Roman empire. If our candidacy would be approved, we would participate in the project with our Nova Roma partners from Hungary, Austria and Romania.

Bene Valet!
